President's Message

The 29th Inter-City Cactus and Succulent Show and Sale is upon us. The August 9th and 10th show represents the highest quality and quantity of plants in our hobby. You will not find a better C&S show anywhere on earth! Please tell all of your friends and introduce them to a wonderful hobby.

Your help at the Inter-City show is needed in two areas. First, lots of help is needed for set-up on Wednesday morning and teardown on Sunday afternoon. The table rental company will set up the tables. We just need to push the tables into position and add table cloths. Also, we need help for clerking Friday afternoon and night. Please lend an extra hand by volunteering a bit of your time and enthusiasm to ensure this will be our best show ever. Please contact Tom Glavich at tglavich@sbcglobal.net or 626-798-2430 if you are able to help. There is another benefit to volunteering and participating: The sales area will be open for pre-sale at 2:00 pm on Friday the 8th.

Secondly, we always need novice entries. If you have never entered a plant or plants in the show, please join in. It's easy and fun. There will be people there to help you with any problems or questions you may have. The judging will begin at 5 pm Friday the 8th. It's best not to wait until the last minute to enter your plants. Further information is on our website: <http://www.sgvcss.com>

This Month's Program

"The Klein Karoo - A Succulent Wonderland"

Buck Hemenway

Buck Hemenway and his wife Yvonne are enthusiastic growers of succulent plants. Their one time hobby has turned in to the Prickly Palace nursery, which supplies cacti and succulents to the retail nursery trade. Buck is Past President of the San Gabriel Valley C&SS and Gates Cactus & Succulent Society, and currently serves on the board of Cactus & Succulent Society of America. Both are "Northern" people. Yvonne is Canadian and Buck was born and raised in Portland.

They have traveled to Southern Africa on four separate occasions, recently visiting southwest Namibia as well as the Karoos in South Africa. They have a continuing love affair with South Africa and have purchased property there with the intent to move to the Little Karoo.

The talk is titled "The Klein Karoo, Succulent Wonderland". It is an exploration of one of the most prolific succulent growing areas on earth. Fabulous plants and the future home of the Hemenways.

Your Help Needed!

You are needed! Lots of help is needed for set-up on Wednesday morning, teardown on Sunday and for clerking Friday afternoon and night - let your show chairman know. The table rental company will do the set-up. We just need to push the tables into the right positions and add the tablecloths. All of the back-breaking work will be done by others. We need help setting up the sales area. There is shade cloth to attach, and tents that need to go up.

The same is true for the sales, tabulations, holding area, etc. We particularly need help on Saturday morning when sales are the busiest. Sales and holding area need help during the show, and everyone is needed to greet the public, answer questions, and just keep an eye on the plants.

Wear your club badges!

Saturday Night Banquet and Auction

The Saturday night Banquet and Auction has been a show tradition from the start. It's a great time to argue the fine points of showing and judging, and meet many fine people from the other clubs and from out of town.

A feature of each of the Banquets has been an auction of spectacular plants (and most surprisingly affordable) from some of the best growers. These are often the ones that appear on the trophy table in years to come.

Same great location as last year: Coco's Restaurant Oak Tree Room 1150 W. Colorado Blvd. Arcadia, at the SE corner at Michellinda. Social hour starts at 5:30 and dinner served at 6:30. The dinner will be the old favorite: Carved Beef and Chicken, with vegetables, salad, drinks and desert.

The cost of the meal is \$30.00 for adults and \$15.00 for children from 5 to 10 years, including tax and tip. Please contact our Show treasurer, Evelyn Stevens for further information 626-303-1239. Make checks payable to ICCSS c/o Evelyn Stevens 216 S. California Ave. Monrovia, CA 91016

Due to overwhelming numbers of auction plants, we ask that you let one of the chairs know prior to bringing plants. We have a two plant limit, and must limit the total numbers of plants.

Worker and Entrant Pre-Sale

The sales area will be open Friday from about 2:00 (or earlier if there is a cashier and a cash register). This is a special pre-sale for workers and entrants. Get the first pick of the sale plants and pots.

Note: Speakers, Times and Subjects are subject to change

Inter-City Show — We Need your Entries

The Inter-City Show has a well-deserved reputation for the place to see one of a kind plants, but more importantly, it has the reputation as the place where plants are grown to standards of excellence that are impossible to exceed.

With this in mind, the Inter-City Show is also one of the easiest and most encouraging to enter. There are three classes, Novice, Advance and Open. Novice is anyone who has won less than 40 first places in recognized shows, Advanced in anyone who has won more than 40, and Open is for anyone who wants to compete at the highest level. This show is one of the

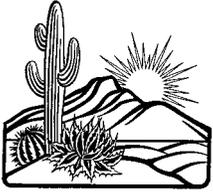

main sources of new members for all three clubs. A little know secret is that it is the novice entrants that do the most to encourage new members to join the clubs and to enter future shows. We need more novice entrants.

Entries can be brought in from 1 to 7 on Wednesday August 6, 8 AM to 9 PM on Thursday August 7 and 8 AM to 5 PM on Friday August 8.

This exciting show is the perfect place to let the public and other club members admire your best-grown plants.
